ACKNOWLEDGE IT

Barton has to Bow to the Inevitable—
Scores of Citizens Prove It.

After reading the public statement of this representative citizen of Barton given below, you must come to this conclusion: A remedy which proved beneficial years ago with the kidneys, can naturally be expected to perform the same work in similar cases. Read this:

Mrs. E. C. Wilkie, High St., Barton, Vt., says: "For quite awhile my kidneys were disordered and I suffered from pains in my back and other symptoms of kidney complaint. Knowing of people who had been cured by Doan's Kidney Pills, I obtained a supply at Barton Co's Drug Store and began their use. The contents of three boxes brought about so great an improvement that I did not consider it necessary to continue their use. Many of my friends have taken Doan's Kidney Pills with benefit." (Statement given September 4, 1908.)

RE-ENDORSEMENT
Later Mrs. Wilkie was interviewed and she said: "It gives me pleasure to re-endorse Doan's Kidney Pills. We all value this remedy highly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Having bought, in conjunction with Green & Pratt, Newport, Vt., the undertaking business of the late Geo. W. Brackett, I will continue to run the same in a thorough up-to-date manner, with a larger stock of goods and all the modern improvements.

Embalming will be done when wanted, with all the latest methods. We will carry in stock Slate, Steel and Cement Vaults.

Prices reasonable as possible consistent with good work.

LIFE'S STRUGGLE WITH ILLNESS

Mrs. Stewart Tells How She Suffered from 16 to 45 years old—How Finally Cured.

Euphemia, Ohio.—"Because of total ignorance of how to care for myself when verging into womanhood, and from taking cold when going to school, I suffered from a displacement, and each month I had severe pains and nausea which always meant a lay-off from work for two to four days from the time I was 16 years old.

"I went to Kansas to live with my sister and while there a doctor told me of the Pinkham remedies but I did not use them then as my faith in patent medicines was limited. After my sister died I came home to Ohio to live and that has been my home for the last 18 years.

"The Change of Life came when I was 47 years old and about this time I saw my physical condition plainly described in one of your advertisements. Then I began using Lydia E. Pinkham's Vegetable Compound and I cannot tell you or any one the relief it gave me in the first three months. It put me right where I need not lay off every month and during the last 18 years I have not paid out two dollars to a doctor, and have been blessed with excellent health for a woman of my age and I can thank Lydia E. Pinkham's Vegetable Compound for it.

"Since the Change of Life is over I have been a maternity nurse and being wholly self-supporting I cannot over estimate the value of good health. I have now earned a comfortable little home just by sewing and nursing since I was 52 years old. I have recommended the Compound to many with good results, as it is excellent to take before and after childbirth."—Miss EVELYN ADELIA STEWART, Euphemia, Ohio.

The class is divided in a contest on attendance and there will be considerable excitement until the final count is made, which determines the side that is to give the annual banquet.

Mrs. Eliza Shanks Reed, wife of C. L. Reed of Richford, died at her home in West Derby, Thursday night, Jan. 23, after a protracted illness from cancer of the stomach. She was the daughter of Stephen S. Greenleaf and Bethiah Church, born at Magog, Que., Dec. 1, 1844. She married Gavin Shanks about 35 years ago, who was road master on this division of the Canadian Pacific Railway. He was killed in a railroad accident a few years ago. There were no children.

Mrs. Shanks married C. L. Reed, editor of the Richford Journal, May 13, 1911, who with one sister, Mrs. H. A. Greenleaf of Derby Line survives. The funeral was held at the home Monday afternoon, conducted by Rev. Geo. Pomfrey, pastor of the West Derby Baptist church, assisted by Rev. C. D. Lance, pastor of the Newport Methodist church. The quartet from the Newport Methodist church sang "Nearer My God to Thee," "Shall we Gather at the River" and "Rock of Ages," favorites of deceased and sung at her request. (Mrs. Reed made all arrangements for her funeral and burial and they were carefully fulfilled in every detail.) The floral tributes were most profuse. Among the large attendance were several railroad people from Lyndonville and Farnham. A special car took the remains and the funeral party into Montreal Tuesday morning for interment in Mount Royal cemetery where her first husband was buried. The interior of the car was heavily draped in white and purple, with white festooning outside. The following composed the party: Revs. Pomfrey and Lance, Chas. L. Reed, Miss Addie M. Reed, Mr. and Mrs. A. B. Reed, Mrs. Harriet Greenleaf, Miss Etta Dale, Mrs. L. D. Loverin, Mrs. Shonyo; the bearers—George Norris, Rufus Powers, William Brown, L. D. Loverin, E. L. Richard and F. C. Shonyo; Mr. and Mrs. B. S. Curtis, the undertakers in charge; a quartet from Methodist church—Mrs. John Wilson, Mrs. Walter Bowen, B. J. Blair, Harry Brown; the quartet rendered selections at the cemetery.

Farm Bureau in Caledonia County.

A movement is under way for the formation of a Farm Bureau in Caledonia County along the lines suggested by L. C. Dodge from the office of Farm Management of the U. S. Department of Agriculture and who is the New England agent for the department in this movement. Bennington, Windsor and Orange counties have already formed such organizations and a meeting was held in Brattleboro last week with the same object in view for Windham county.

The principal object in forming these associations is to secure the services of a trained agriculturist from the office of Farm Management of the U. S. Department of Agriculture. This trained agent comes into the county, and goes from farm to farm, devoting his entire time to studying the methods and needs of the different farmers in getting the most from the soil and the best returns for their labors. The agent makes a careful study of the soil and condition of every farm he visits and his duties are to help and advise the farmers in every possible way. Such a movement, it would seem, must help greatly in bringing about improved and more profitable methods of farming. The association promotes in every possible way the agricultural, commercial, social and material interests of the county.

All persons are eligible to membership by paying the membership fee and by subscribing to the constitution and by-laws. A minimum annual fee of \$1.00 is usually charged for active membership but there is no restriction on voluntary subscriptions which may be raised by a finance committee for special purposes.

The following explains what is necessary in regard to financing the association: The office of farm management sets aside the sum of \$100 per month (\$1200 per annum) and this will become available as soon as the people of the county raise the money to match it for a year's work, it being assumed that this work is to go on for more than one year. In addition to this \$1200 set aside by the Department of Agriculture the Crop Improvement Committee of Chicago offer to obtain \$1000 for Caledonia County from the Sears-Roebuck fund just as soon as the county has "organized a county farm bureau with a representative bona fide membership, said membership to be open to anyone in the county wishing to join upon payment of the dues, which should be nominal." This Sears-Roebuck fund is offered on the condition that the county shall have raised a fund fully sufficient to obtain a trained county agricultural agent for at least two years.

Figuring this out on a two year's basis, we have offered by the Department of Agriculture \$2400, from the Sears-Roebuck fund \$1000, necessary amount to raise for two years in the county \$1400, total \$4800. We understand that preliminary steps have already been taken to form such a Farm Bureau in Caledonia County and that a general meeting of all interested will soon be called to effect an organization. Every farmer should be looking into the matter and thinking about it. This county ought to be among the first in the state to get in line with this new and important movement.
